# KIDS LIKE ME PROGRAMS

For autistic children and adolescents and those with other social/learning challenges

**All kids deserve opportunities to make meaningful friendships, learn and practice new skills, and have fun in a place that nurtures and affirms a sense of belonging ... that's what Kids Like Me is all about!**

**We offer an array of programs including:**

**Camps:** Summer/Winter/Spring day camps and travel camps designed to promote friendships and skill development for 6 to 17 year olds!

**After School Enrichment & Social Skill Classes:** weekly programs spanning 8 to 10 weeks that encourage and explore new skills in a safe welcoming environment!

**Club LA:** reimagined as family events, these weekend activities provide families with neurodiverse children of all abilities to enjoy time together in a supportive environment with other families who understand and encourage each other!

**Support Group:** The Parents Like Me Support Group, now on its 5th year, provides a warm, caring space once a month for parents to support, learn from, and uplift each other in their journey as caregivers to a neurodiverse child.
